

Key Consideration: Does Your Donor Itemize?

- Itemized deductions (including charitable deductions) will not reduce income tax unless total exceeds applicable standard deduction amount
- CBO estimates only 9% of taxpayers will itemize in 2023

State and local income, general sales, and property taxes

• Limited to a combined total deduction of \$10,000

Standard deduction (2025)

- \$15,000 for single filers
- \$30,000 for married couples filing jointly (\$33,200 if both over 65)

What Should Your Donor Give? Cash, Securities, or a QCD?

9

Expansion of the QCD to life income gifts

- SECURE Act 2.0 of the Consolidated Appropriations Act, 2023
- Can fund charitable gift annuity and/or charitable remainder trust
- · No combination of funding assets, or trust additions, allowed
- No income tax charitable deduction
- Only plan owner and spouse can be income beneficiaries
- One-time lifetime election (no carryforward)
- Limited to \$54,000 (2025)
 - Reduces the \$108,000 available for outright QCDs

What Should Your Donor Give? Cash, Securities, or a QCD?

10

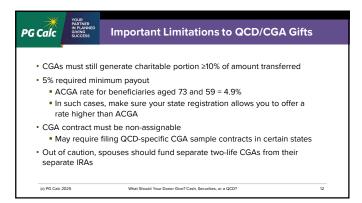

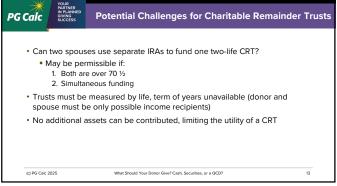

What Can Your Donors Do?

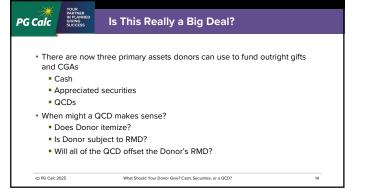

- Can fund a split-interest gift (part gift-part income)
- Charitable Gift Annuities
 - Deferred annuities/Flexible annuities not permitted
 - Can make CGAs to multiple charities subject to \$54,000 limit
- Charitable Remainder Trusts (CRUTs and CRATs)
 - \$54,000 limit not economically feasible for CRT
 - QCDs from married couple's separate IRAs may make \$108,000 dollar limit possible (uncertain this is permissible)
